

Introducing the Multilevel Stretcher, a stretcher that ensures the professional and secure execution of removal operations. Designed to meet the highest standards of safety and functionality, this stretcher from Auden offers versatility like no other.

The Multilevel Stretcher allows for seamless adjustments between height positions without imposing the full weight on the operator, prioritising safety and ease of use. Moreover, it incorporates a "roll-in, roll-out" system, enabling it to effortlessly fit into compact nursing home lifts in an upended position without burdening the operator with weight. With the Multilevel Stretcher, you can conduct removals with the utmost professionalism, safety, and convenience.
