

The X Bier is designed to be compact but strong

We designed the new Bier to be equally as good as the standard fixed bier while also having a smaller storage footprint. As a result, when not in use, the bier may be folded up and used with our innovative and [portable rack](#) to store up to six biers in the same footprint as a single traditional fixed trolley. With a weight capacity of 200kg, we haven't compromised on strength either. The [fitted cover](#) makes it ideal for use as a church coffin stand or viewing platform in a chapel of rest. Only available from Auden Funeral Supplies, this new generation bier gives the bier a whole new level of flexibility.

Specification

X Bier (Full Height):

Length = 105cm / 42"

Height = 62.5cm / 25"

Width = 45cm / 18"

Weight = 18.2kg / 7"

Max Load: 200kg / 31.5st
